1 Self Introduction

1.1 Objective

1. To enable oneself to begin a conversation through the usage of an introduction.
2. To encourage oneself to explore aspects of their own life that contribute to their identity.
3. To seek information about others by using correct sentences.

1.2 Methodology

1. Listen to the shared audio or video related to self-introduction.
2. Prepare the list of points that we have to include in the self-introduction.
3. Prepare the content of the self-introduction concisely.
4. Then introduce yourself in front of a group of people.
